

NEW BUS ROUTES

On Saturday 28th May 2011 the Government of Gibraltar will be introducing a revised bus service in accordance with its Integrated Traffic, Parking and Transport Plan.

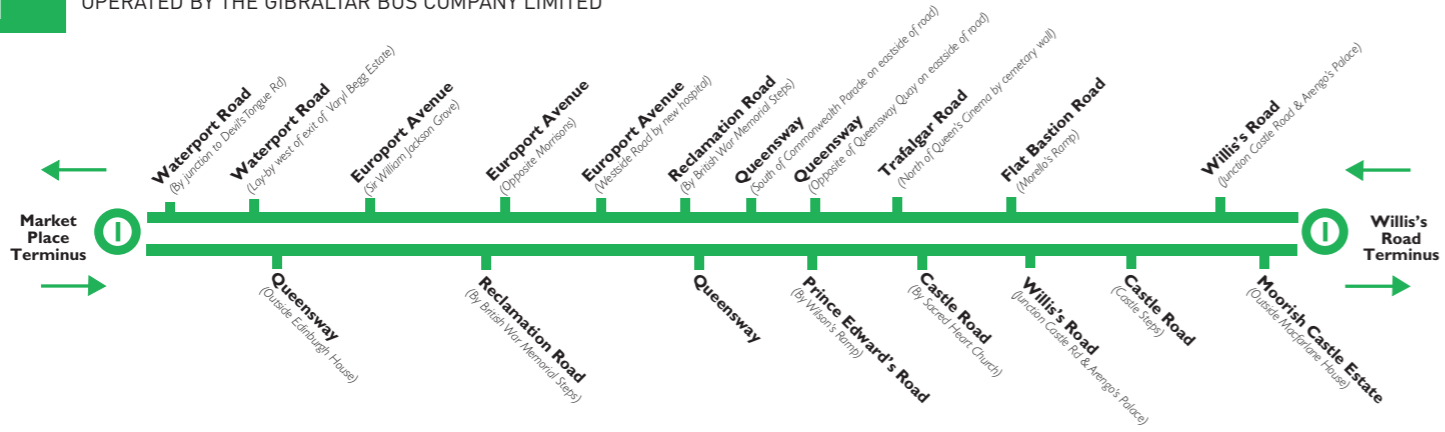

The Government has reviewed the current routes and new routes are being introduced that are more consistent with an efficient and modern bus service that provides for point to point transport. The new routes will have as their main terminus the Market Place bus stop.

The new routes will be numbered 1 to 5. In keeping with the Government's commitment to introduce a free bus service routes 1 to 4 will be a free service for all passengers. These routes will cover all points in Gibraltar except a journey to the frontier.

Route 5, which will be operated jointly by the Gibraltar Bus Company Limited and Calypso Transport Limited, will be the only fare paying route. This route will operate from the Frontier via Market Place to Reclamation Road and return to the Frontier via Europort Avenue, Waterport Road and Market Place.

Details of these new routes are set out below. Copies of these route maps will be available from the Gibraltar Bus Company Limited and can be downloaded from the Government's website.
